1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Dominion Energy

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

Since Dominion purchased SCANNA, Dominion has promised to not raise electric and gas rates. Since that date Dominion has already raised the rates 2 times and is now asking for a 3rd increase. Each rate increase that was approved, Dominion promised to not raise the rates for several years. Despite their promises, Dominion continually requests rate increases. I protest Dominions rate increase and I ask that Dominion's request for a rate increase is denied and to place a freeze on dominions rates for not less than the period of time which Dominion promised during their last rate increase.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \*

Unfortunately I can't not make it to the hearing.
